Dear College Works,

We would like to express our appreciation on a really great job completed by College Works.

Our home hadn't been painted for 18 years and there was a great deal of preparation required including, power washing, sanding and mending cracks in order to paint the house. Apparently, Gabe, District Manger, knew what he was doing when he hired Brandon Coursey. Brandon was excellent. He maintained schedules and delivered all he promised.

The crew which included Justin, Corey and Laramie, worked non-stop. They were prompt and punctual at the job-site. They were very polite which is a very delightful trait in this day and age.

It is said, "The best advertisement is by word of mouth." You can be sure that we will actively advertise College Works. Thanks again.

Sincerely,

  
Dave and Judy Woods
