

THOMAS L. GRAHAM

June 30, 2007

To Whom it May Concern:

Mrs. Graham and I recently employed Brandon Coursey and his team from College Works Painting to do some painting at our home in Paso Robles. We are more than satisfied with the result. Every aspect of the job, from the bidding process to the final clean-up, was completed in a thoroughly professional, timely and meticulous manner. As a "hands-on" supervisor, Brandon assured that each phase was properly accomplished before moving on to the next phase.

Brandon, himself, was always courteous, pleasant and friendly. It is a pleasure to recommend him and his crew.
