To Whom It May Concern:

I recently contracted your company to paint the exterior of my home. The Branch Operator, Mr. Gregory Mariani was very impressive. The quality of the overall job performed was outstanding.

The paint was of the highest quality, the company guarantee is impressive and the cost very reasonable.

I was most impressed by the professional attitude of Mr. Mariani and the crew he supervised. Mr. Mariani performed daily inspections of the job site with me, made sure the crew left the location clean and all equipment was safely stored at the end of each day.

The quality of the job performed was very impressive. I highly recommend College Works Painting and Mr. Mariani.

Sincerely,
