Ruth Anne Guasebirt

RE: College Works Painting

I saw their sign in my next door neighbor's yard and called for an estimate. After 3rd call, Dad returned my call and came out to assess the job.

The crew was very courteous and worked very hard - awful St Louis heat, 3 story house, tough tasks!

I am pleased with overall job and delighted with the crew assigned to my home.

Sincerely,

Ruth Anne Guasebirt
