Prospective Collegeworks Customer:

I thought I would take a moment to thank Dan Schaeffer and his crew for doing a great job painting the outside of my 2 story brick home. Some of the highlights of Dan's performance include:

- Timely bid
- Great value (i.e. good product at a great price)
- Willingness to accommodate changes to the scope of the job
- Clean worksite (they used drop cloths and swept up as needed)
- Good work – I am very pleased with the paint job
- Sought out feedback throughout every step of the process to ensure expectations of the homeowner were met by him and his crew.

Therefore it is with pleasure that I would recommend Dan Schaeffer and Collegeworks Painting to any of my neighbors needed exterior painting.

Best regards,
