

Mike & Brenda Sola Reference Letter for Job at  
[REDACTED]

Sean, we wanted to thank you and your team for the excellent job you did painting our rental property. We were under a tight timeframe to get this completed and you were able to accommodate our request by bringing your team in earlier than your normal schedule. Your team was well organized, thorough and completed the job in 2 days. You kept us well informed throughout the entire process. We would recommend Collegeworks to anyone considering having their house painted.

We just wanted to express our appreciation for a job well done!!
