It is with great pleasure that I write this letter of recommendation for Chris Swenson of College Works Painting.

I found Chris to be very reliable with regular updates regarding the project starting dates. He kept me well apprised of every aspect of the progression on the house and was very accommodating to changes and request.

I liked the fact that I had to do very little and was able to focus on my job obligations through the process making it easy for me to have the house painted during a particularly busy time in my life.

I would recommend College works to anyone interesting in having their house painted and would be happy to be used as a reference.

Sincerely,

Christine Johnson
