

Chris,

It was good to talk to you again a few weeks ago, and I am glad to hear everything is going well for you with College Works. Recently I have interviewed with a number of companies in order to receive an internship for next summer. I just wanted to let you know that my experience with College Works has been vital to me during the interview process. It has given me the experience needed to do very well in these interviews, and has helped me receive a number of second interviews. So please feel free to give my name and number (636-233-1721) to any branch manager candidates who would like more information about the internship and how it can help down the road. I also wanted to ask you if you know when I can expect to receive my warranty money that gets held over for a year after the internship. I remember getting an email about it a long time ago but I can't remember when it said the check would be issued. Anyways, thank you very much for the great opportunity with College Works, and I wish you the best of luck in the future.

Jeff Schappe
